Highlights

Up to 1 month standby time
The phone can be on and in standby mode continuously for up to 1 month on a single charge.

Up to 7.5 hours talk time
The phone can support up to 7.5 hours conversation on a single charge.

Dual SIM
Organize your life better and keep your contacts separate by using 2 different phone numbers. With Dual SIM, you don't need to carry 2 phones around.

Iconic LED alert
Enjoy the convenience of viewing your phone's operation status without opening the flip cover. With 4 different twinkling white-lit icons representing each status, you can clearly see if you have a message alert, an incoming or missed call, or see what your battery status is , just by looking at the icon shown.

Built-in LED flashlight
Why grope around in the dark for your keys or the light switch? Just rely on the handy built-in LED flashlight in your mobile phone to shed light on any situation.

FM radio on the go
Enjoy the convenience of tuning in to FM radio the way you want - play it out loud through the phone's speaker or via your stereo headset. Just plug in the headset, which acts as an antenna and select your listening option in the menu.

MicroSD memory card slot
You can now enjoy extra capacity and storage of multimedia files by inserting a MicroSD memory card into the built-in memory card slot of your phone.

MP3 playback and ringtones
Use the external memory card to transfer MP3 music files to your phone for a superior audio experience on the go. You can also personalize your ringtone with a selection from your MP3 files.
